Background

Ifintalent revolutionized their work ecosystem with a cultural shift, harnessing ProHance to propel employee attendance, improve work hygiene, and ignite their productivity.

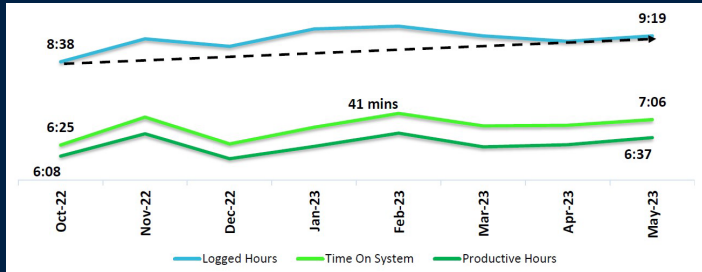

Key Challenges

- Ifintalent, a dynamic organization in the recruitment sector, was encountering difficulties in gauging the employee productivity and attendance as their workforce transitioned to remote work.
- They heavily relied on manual methods to trace attendance, resulting in inaccuracies and a lack of transparency.
- Additionally, without any means to verify if employees were at their systems or attending meetings, the client faced challenges in ensuring optimal work habits and productivity.

How ProHance Helped

- **Visibility:**
 - Ifintalent gained a centralized dashboard that provided visibility into employee productivity.
- **Accurate attendance and logged hours:**
 - ProHance eliminated the need for manual attendance tracing.
 - Ability to precisely detect the number of hours worked by each employee, enabled the accurate attendance being recorded.
- **Enhanced work culture:**
 - Employees became aware of their own productivity and work habits.
 - This increased accountability and motivated employees to maintain higher work standards.

Value Created

Through the deployment of ProHance, Ifintalent's operations underwent a transformation, propelling productivity, work culture, and efficiency to new heights.

- **30%** surge in production, driven by data visibility, nurtured by transparency and enabling workday optimization
- **41 minutes** remarkable leap in the logged hours since onboarding.
- **31 minutes** surge in the time on system since onboarding till May '2023.
- **29 minutes** of productive hours amplified since onboarding till May '2023.
